STACK

10-YEAR WARRANTY

Warranty Policy

Rubix Battery is pleased to offer a 10-year warranty on Stack batteries.

We're passionate about the performance of our products and giving you a good return on your investment. That's why we take a no-gimmicks approach to battery service and warranties.

You might hear a company say they stand behind their warranty. We like to say that we stand behind, under, and above ours. In other words, we don't mess around or play games with you. We say what we mean, and we do it.

In keeping with our solid commitment, we have a simple, 3-step policy, with **no product registration needed and no hoops to jump through.**

STEP 1

Communicate with a Rubix Battery technician or your authorized distributor for a quick and easy assessment of your problem.

STEP 2

The rep will assist you with an RMA (Return Merchandise Authorization) and shipping logistics as needed.

STEP 3

A product of equal or greater value will be sent to you in a timely manner.
